September 5th

Dear Ms. Brown,

How are you? Are you enjoying life in Canada?  
It's September now, but it's hot in Japan. How about in your country?  
A new ALT came to our class today. Her name is Ann White. She is from Australia. We learned about her country in class. It was interesting.  
You taught us many things about your country. I learned a lot from you. I really liked your class. I want to go ① there some day.  
You sometimes asked us about Japan in class, but I couldn't answer them. I love my country, but I didn't know much about the history and culture. Then I thought, "I must learn about Japan." I went to the library last Sunday ( ② ) I wanted to study about Japan. The library has some English books about it. I read one of them. I hope I can answer your questions next time.  
You always said to us, "Love your country and see the world." Now I study Japanese and English every day because I want to be a Japanese teacher in Canada.  
I want to see you again.

Your student,  
Akira
